Accounting and Finance in Emerging Economies (AFEE) Special Interest Group**

**CALL FOR PAPERS**

**18th Workshop on Accounting and Finance in Emerging Economies  
Centre for Research into Accounting and Finance in Context (CRAFiC)  
Accounting and Financial Management Division  
Sheffield University Management School  
Workshop Venue: Halifax Hall, Endcliffe Vale road, Sheffield, S10 3ER  
Friday, 26 October 2018 (09:00 – 17:00)**

The workshop aims to bring together academics working on accounting and finance issues concerning emerging economies. The workshop aims to: raise the level of interest in the specific problems of accounting and finance in emerging economies; and increase awareness of real issues, so that accounting and finance in these countries will not just be seen as a matter of copying what is done in the industrialized countries. It provides an authoritative overview of the research and progress in this field.

The coverage of the workshop includes, but is not restricted to:

- Education, training, women in accounting, and the role of professional accounting Bodies
- Financial reporting and accounting standards, including international financial accounting standards
- Auditing
- Corporate governance, executive compensation, risk management and reporting
- Management accounting, including taxation, transfer pricing and tax avoidance
- Finance and banking issues, including behavioural accounting and finance
- Accounting and business history
- The impact of structural adjustment programmes on accounting practices
- Accounting, regulation, and privatisation
- Accounting and accountability issues, including social and environmental accounting
- Accounting practices in family businesses.
- The impact of culture, religion, ethnicity, and history on accounting and finance
- Public sector accounting and reforms, including new public management
- Accounting and finance in socio-economic development and poverty reduction.
